

# CAREER PLANNING READINESS: A 6-WEEK SUMMER PROGRAM FOR STUDENTS, EMERGING, AND SEASONED PROFESSIONALS

## What is it?

- A “Whole-Life” approach to education, career, and life planning
- A tremendous resource for individuals in all life stages: high school, college students, and seasoned professionals to help them become more confident in career, life, and education decision-making
- This training uses a scientifically validated 7-suite assessment tool that teaches individuals how to leverage their personality behaviors, skills, passions, values, purpose, and goals for education, career readiness, and life ascension

## Training Deliverables

- Gain self-awareness through online behavior, skills, passions, values, purpose, and goal assessments
- Learn your personal decision-making and learning or study styles
